

Winslow Series

48" Curved Wall-mounted Electric Fireplace SWM4820

More versatility for built-in or plug-in applications

The Winslow wall mount fireplaces are the perfect solution for any space. With the option of easily mounting to the wall, or attaching the table top stand, you will never have a problem finding the right place for the Winslow. With heat venting at the bottom of the fireplace, you can have peace of mind that your electronics are safe above. Switch between three included bed options - go contemporary with vibrant crystals, traditional with logs or choose a more adaptable option with pebbles for a traditional or contemporary look. Create that cozy feeling with the touch of a button by adding a colour glow behind your fireplace, or changing the colour of the ember bed, logs and flames. The Winslow Series provides that clean and smooth finished look with the curved glass.
